CHEERLEADERS

Captain: Lisa Hoffman Co-captain: Lori Lambert

Amy Boshart, Kathy Bosland
Stacy Ciminello, Sue Fasanaro
Elisa Greco, Sharon Griffin Megan Karlen, Carolyn Larsen Julie Levy, Tami Mack Angela Tondo, Nancy Weiss

We had a great year, and it was something special that we'll remember all our lives. Best wishes to the RaHS of 1979-80. Remember the blue and white forever!

Stacy- Tony made a touch down!
Elisa- Don't let Phil get to you
Carolyn. Julie- Don't worry you'll make it up. Lisa- Don't lose your voice. Megan- Nice split! Sharon- Your killing our legs! Amy- Don't worry you'll get it. Lori- Don't fall over. Angela- The captain strikes again! Nancy- Good cover up. Tami- SMILE! Kathy- Don't laugh too hard! Sue- You really know how to pick the names!

-Lori Lambert

SPIRIT!

J.V. CHEERLEADERS

Captain: Nina Osher

Caroline Carlson, Jeanine Colombo, Lind Ippolito, Sue O'Connor Shari Osher, Ann Marie Ryan Pam McNally, Kris Sable Margaret Schable, Lisa Skolnick Amy Weise, Ann Womer

This years spirited squad was advised by Miss. Miele. Unlike the previous squads, which consisted of sophomores and juniors, this years group boasted many freshmen as well. Although this wasn't the year of complete victory, the cheerleaders kept up the school morale and had a good time doing it!

-Nina Osher

CHEERLEADERS

Captains: Tami Mack
Donna Bradice

Dara Caponigro, Stacy Ciminello Elisa Greco, Lynn Guccione Kathy Faillia, Megan Karlen Eileen Kuehn, Carolyn Larsen Adeline Licata, Karen Pertes Sheryl Nash, Felicia Tomeo

Being a cheerleader is an honor, it is fun and fulfilling. We have pride in our school and the team that we cheer for. We don't always expect to win, but when we do our spirits really soar! Contributing to Sufferns school spirit, we all add our fullest!

-Donna Bradice

VAR. TWIRLERS

Captain: Marianne Collins; Head Majorette: Heidi Osborn; Marie Garbarino, Lori Lufts, Lori Karp, Kathy Ciati, Sonja Savoury, Cheryl O'Brien

Even though the Varsity Twirlers of 1979 were never able to quench their thirsts, they made it through sprained hands, cracked knees, glasses thrown across the field, the embarrassment of the impossible tosses and were always able to miss practice. Our family of ten will always shine!

-Marianne Collins
Heidi Osborn

J.V. TWIRLERS

Captain: Robin Hall; Co-Capt: Marjorie Yellen; Laura Rivera, Doreen Doremus, Donna Ciati, Teresa Faulkner, Carol Diorio

Remember when the music was a little slow, the routine too new to know, forgetting what comes next at the half-time show, makes us all embarassed and faces aglow. The marches, drops, twirls, and swirls, the smiling faces of all us girls. The rain, the heat, the sleet and snow, makes us all forget what we got to know so if you think a twirler does it easy enough, then you don't know enough of their stuff!
-Doreen Doremus

COLOR GUARD

Captains: Cathy McNulty and Kirsten Miles

Laura Burkard, Debbie Churchill, Debbie Clifford, Bonnie Hill, Karen Lipson, Laura McGowan, Stefanie Sovak

The Color Guard had a very successful season this year. Led by Cathy McNulty and Kirsten Miles, the girls managed to create intricate routines. Many of the girls were also on the swim team. Although plagued by the interference of swim meets, they managed to keep up a good attitude and perform with precision and vitality.

-Cathy McNulty

The Five Commandments of
Flagtwirling:

- 1- Don't drop your flag too often.
- 2- Don't put wool uniforms in the washing machine.
- 3- Add-lib when necessary.
- 4- Beware of mud, children, and splintery benches.
- 5- Always expect the Unexpected!

POWDER PUFF

We had fun. We learned sportsmanship. We made new friends. We had good times. We, the seniors, won the game, but most importantly, everyone involved came out winners.

CHALLENGES

A STUDENT LIAISON

Freshmen: Paula Carlos, Lisa Gallo
 Sophomores: Dan Schonberg, David Gold
 Juniors: Collin Meagher, Sonja Brouner
 Seniors: Mary Ann Wolff, Sue Sadowski, Jody Shapiro

The 1978-79 Student Liaison Committee succeeded once again in becoming a major part of the USO, and therefore in playing an important role in school activities. As representatives of the student body, we strove for student participation and support. We hope that we have helped in solving some of the problems encountered during this year at S.H.S.

IT'S ACADEMIC

The Academic League, now in its fourth year, was started by Mr. Robert Neff and Mr. Dave Silver. The League was formed to recognize the students who are academically inclined. These students enjoy a good time in exciting matches with questions ranging from literature and history to science and trivia.

-Adam Robinson

HONOR SOCIETY

President: Carol Kozeracki
Vice-President: John Kenny
Secretary: Sonja Browner
Treasurer: Jean Ann Newson
Advisor: Mr. Case

Eligibility into the National Honor Society is based upon service, leadership, character, and academic criteria. Each school year the Honor Society makes an effort to get involved in several school and service activities. This includes activities open to the rest of the student body and to the community.

Anna Myers

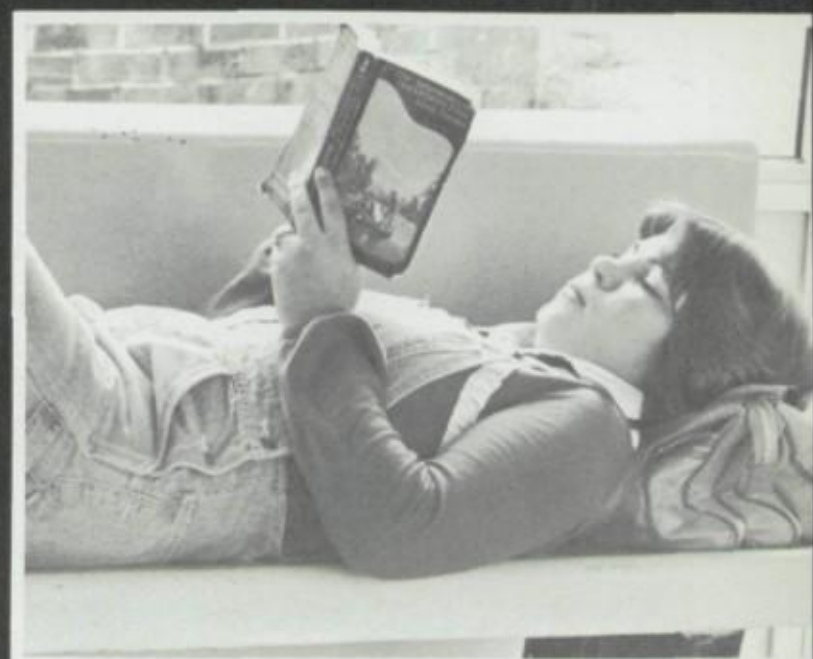

B.O.C.E.S.

Going to B.O.C.E.S. is a new and benefiting experience for the students that attend. There we have a chance to learn and practice our vocations in a world of work atmosphere. We are preparing for the challenges we face ahead. There we become the best we can be, performing to our fullest, knowing that we are "AMERICA'S NEW PROFESSIONALS"

-Michael Curley

GETTING IT

KEY CLUB

President: Diane Mills
Vice-President: Cami Giordano
Treasurer: Ellen Wanderman
Secretary: Amy Heitner
Advisor: Mr. McKee

Key Club is one of the many community service organizations at Suffern High. In this club, students learn that helping others is very rewarding! The Key Club is a fun and exciting way to learn about others as well as yourself!

-Diane Mills

TOGETHER

INTERACT

President: T.J. Smith
 Vice-President: Kenny
 Messenger
 Treasurer: Eric Schiffer
 Secretary: Virginia Colotta

The Interact Club is a community service affiliated with the Rotary Club in Suffern. The goals for the year 1979, included the raising of money to be donated to charities. The more important cause was the betterment of Anarchy in America!

-T.J. Smith

SPANISH CLUB

This year Suffern High was proud to present its Spanish club. It was formed through the efforts of teachers and students to explore Spanish life-styles and culture beyond the classroom. We went to Hispanic restaurants and attended musicals and dramatic performances. The Spanish Club is a fun and educational experience for all!

-Nancy DeWaard
Mary Kilbride

FRENCH CLUB

The French Club proudly presents itself, a club for the French at heart. As a new comer to the school, we are eager to establish ourselves. Officers Sarah Schultz Holly Durniak and Janet Rothstein organized activities such as, attending a performance by the famous French mime, Marcelle Marceau, Christmas caroling with French carols, viewing impressionist paintings in the MMA. We also held a Spanish and French luncheon for the holidays. C'est le cerde francais si vous parley francais.

-Carolyn Rader

CHESS CLUB

Chess Club-A quiet intellectual stimulation you say? Not so!! "Boom! Smash! Crunch! Your hurting!" It's a battle of wits and egos.

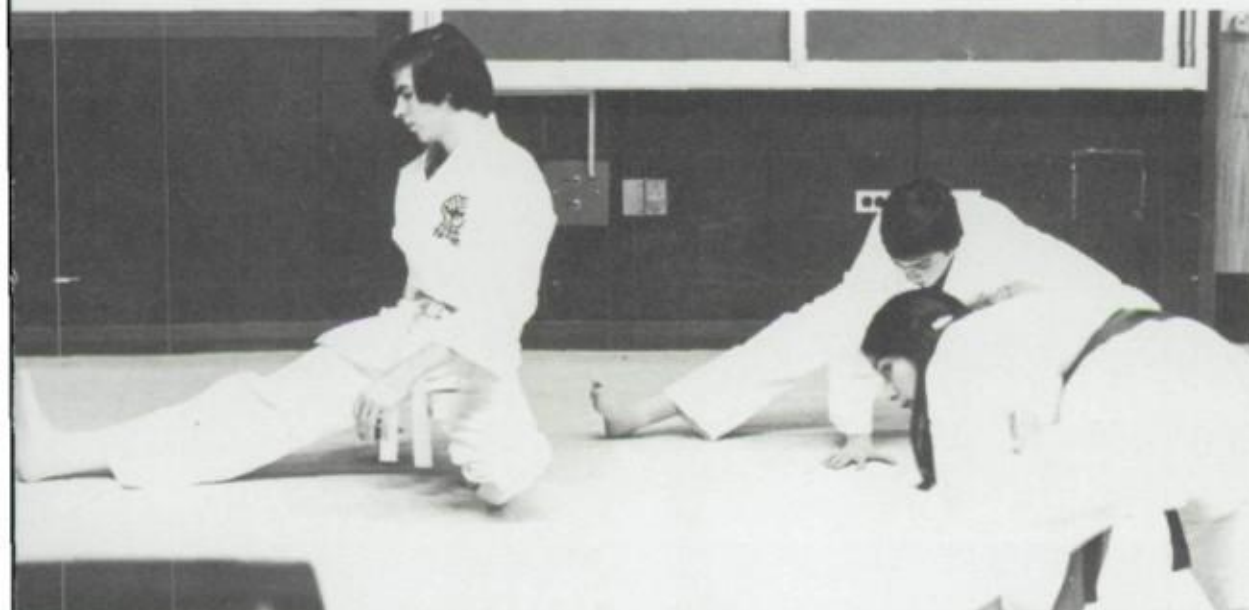

KARATE

If one afternoon you happen to be wondering past the Mini Theater, you may hear strange noises. Don't be alarmed, don't panic, it's just S.H.S. Karate Club. These students are learning the fighting techniques and basic intermediate exercises.

-Sue Wolicki

FENCING

Advisor-Mr. Ackerman

The Fencing Squad is, for most, a first introduction to the art of fencing. Its members get together every Wednesday, and they are instructed in the basic attacks and parrys that are fundamental to the success of this sports.-Russell Wilson

PHOTO CLUB

This group of students meet with Mr. Galindez to discuss and develop their skills and techniques in photography. But . . . what really goes on in the dark room?

ROCKET CLUB

The members of the Rocket Club design and construct their own model rockets. With the help of Mr. Galindez they explore the theories of flying rockets.

SHOW CHOIR

Show Choir is a group of the top singers in our school. It is one of the best known and most active groups in our music department, performing at two concerts a year, and singing at numerous community events. This versatile group sings everything from popular music to sacred choral works.

VARSITY CHOIR

Varsity Choir is very active, performing two concerts a year plus extra out of school concerts, during the holiday season. This year the choir is directed by Dianne Robinson and accompanied by Maureen Murphey and Darielle Suchiki. The choir sings various types of music and tackles a major choral work each spring.

HANDBELL

The Handbell Choir is a select group of students that perform at our concerts and throughout the community. The Suffern Handbell Choir is one of the few that exist in the public schools, and we are honored to have one. Each ringer is responsible for a number of bells and must be coordinated so that they can play them with the group. We feel that our sparkling bells, tinkling sounds and white gloves, add a real "touch of class" to S.H.S.

STAGE BAND

The S.H.S. Stage Band is a jazz band formed by the exceptional band members of the school. It is composed of 25 members, and plays a combination of jazz, rock and popular songs. It is directed by Mr. Rieker, and plays at the fall and spring concerts as well as at many other activities and school functions

-Roger Guccione

ORCHESTRA

Every C-day, Suffern High's stage comes alive. Sixty-five talented students unpack shiny metallic instruments and tune to a concert. Together they spend long hours blending the unique tone of each instrument in preparation for their quarterly evenings of long gowns and suits. The lights dim, the curtains open and the conductor waises his magic wand . . . LADIES AND GENTLEMEN WE ARE PROUD TO PRESENT THE SUFFERN HIGH ORCHESTRA!

-Martha Lewis

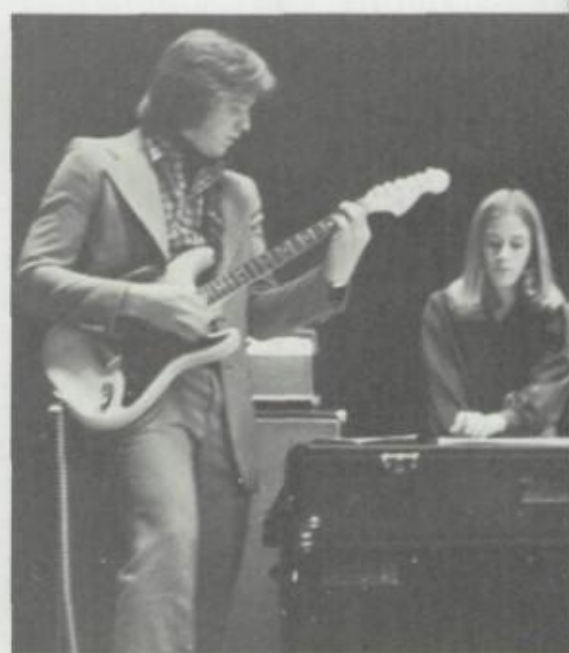

THE BAND

The S.H.S. Symphonic Band is composed of approximately 125 students who also serve as the Marching Band during football season. The band plays a wide variety of music ranging from symphonics to ragtime pieces. The Band is recognized twice a year in concert, but members work diligently throughout the year. This is what makes the Suffern High School Symphonic Band

-Mary Ann Wolff

S.H.S. . . IN CONCERT

THE ACTS

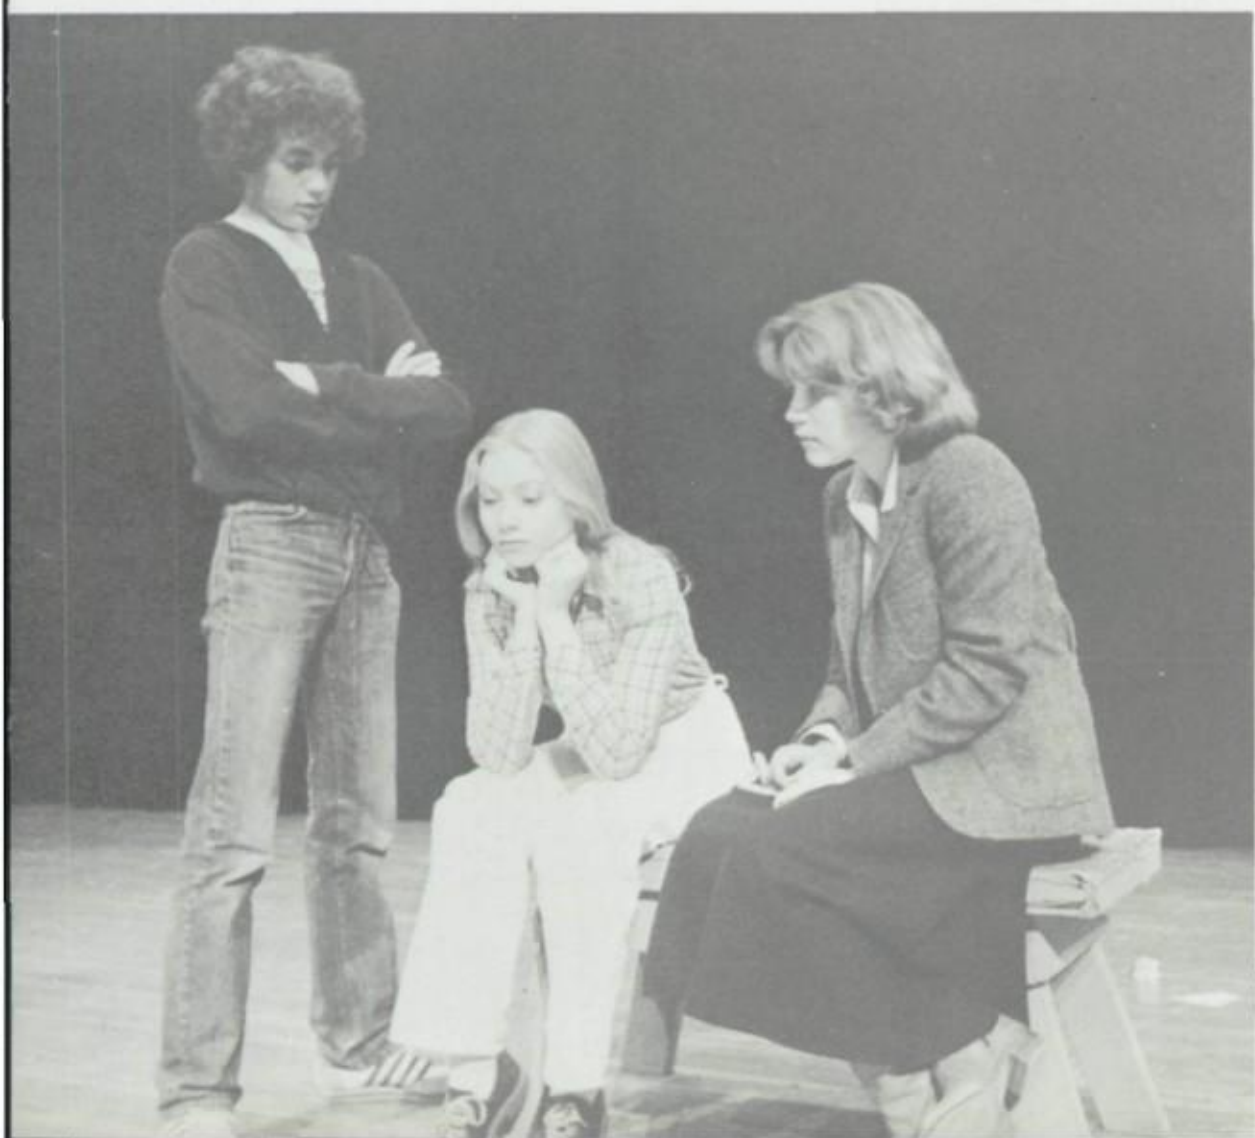

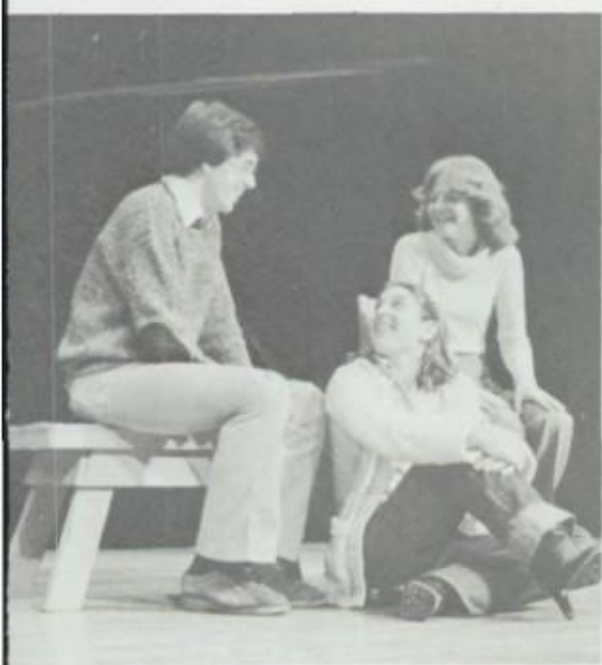

DRAMA CLUB

Drama . . . a world of imagination, of creating, of acting. Ideas spun into characterization, motivations pulled from emotions, images solidified into truth; Tears . . . Laughter . . . being profound, being silly, being . . . This is what it's supposed to be and if by chance you see a part of yourself on stage, then the actor has succeeded.

-D. Austin

THESPIANS

FALL PLAY

The bloody success of the fall play "Dracula" can be attributed to the dedicated cast and the expert direction of Mr. Ed Ertle.

THEATER GOERS

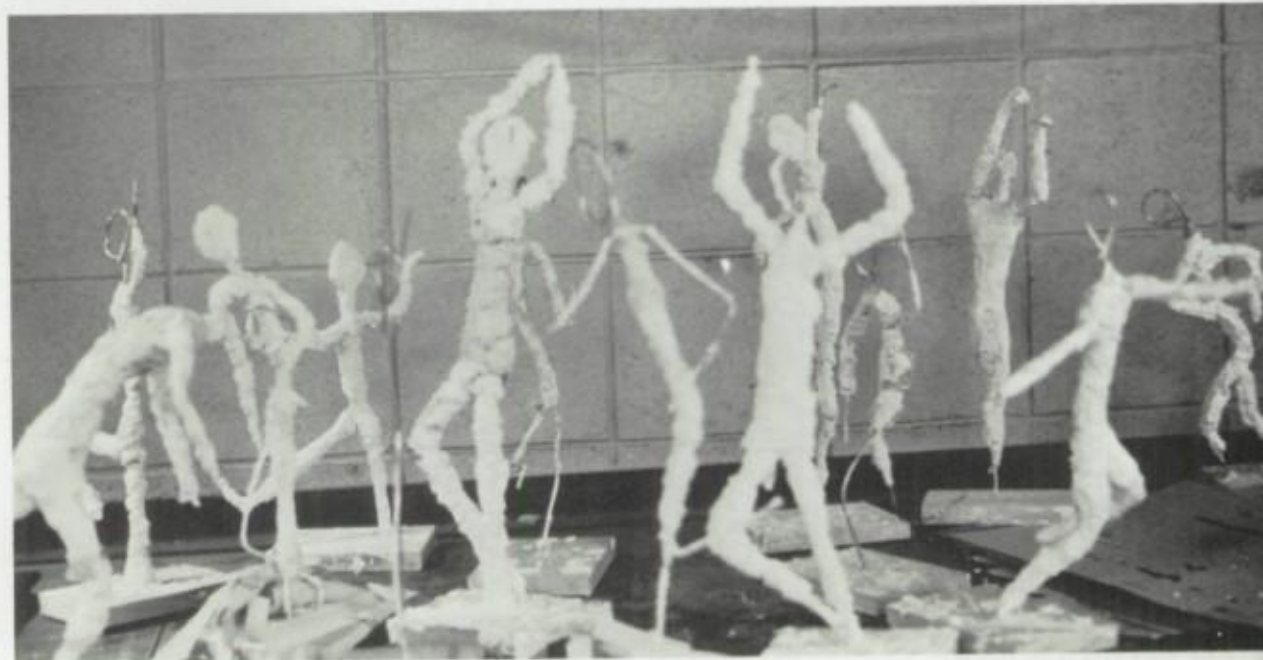

President: Barbara Stolarik
 Treasurer: Bruce Ewing
 Asst. Tres: Donald Cummings
 Secretary: Sarah Schultz
 Advisor: Mr. Horvath

Theater Goers Club is open to anyone interested in seeing various Broadway productions. We make several trips into New York City throughout the year and have had the opportunity to meet and discuss with the casts of such hits, as "Annie", "My Fair Lady" and "Shanandoh."

-Barbara Stolarik

THE ARTIST PORTFOLIO

COMMUNICATIONS

CHAMELEON

A place for feelings to be explored rather than suppressed; for students and teachers voices to intermingle rather than be disparate; for recognition that is more permanent, rather than temporary; and for writing and art to be showcased; rather than in a forgotten folder.

-D. Austin

M.E.S.

The Middle Earth Society is an affiliate of the Society for Creative Anachronism, an international "living history" organization. The M.E.S. meets several times a week to discuss books, yell, be crazy and generally create healthy disturbances. Don't be shocked if one of us walks by in full armour- we don't attack unless provoked. We have three main objectives: to "live and learn" about the Middle Ages, to have a good time and to find a room to meet in. Remember, chivalry is not dead, it's in the M.E.S.

-Jody Shapiro

AUDIO VISUAL

A.V. Club members maintain and operate a vast array of equipment and materials under Mr. Horner's supervision. They also serve the faculty by delivering A.V. equipment to the classrooms. In addition, they help with minor electronic and electrical repairs throughout the school.

RADIO CLUB

Everyday this group of students join together to fight the never ending battle against "ho hum" music. During unit lunch, their efforts provide us with music from all the latest and greatest groups. Radio Club, we thank you!

Together we close the door of the seventies to future classes. It was our decade. Twenty years from now our kids will be saying "Times have changed. This isn't the seventies." Will it really be that different? When you think about it, is there anything they could do that we haven't done already? But, we won't tell them that. We'll just smile and take out our yearbooks . . . and they'll laugh . . . and we'll laugh . . . remembering the time when we thought we knew everything, too.

The Victory

The final bell rings, but for a large number of students the hardest, and yet most enjoyable, part of the day is still to come. For twenty minutes the cafeteria is filled with talking, laughing kids. They gradually drift toward the locker room where the jeans and blouses are temporarily exchanged for sweats, shorts, and sneakers. The next two hours are spent at difficult, tiring practices. These are not an end in themselves, but a stepping stone to the game. Several times a week, the teams put their skill on the line in a battle of strength and strategy. When victory results, the pain involved in practice is forgotten and replaced by the pleasure of winning

Lloyd Jaeger Is One Wild And Crazy Guy!

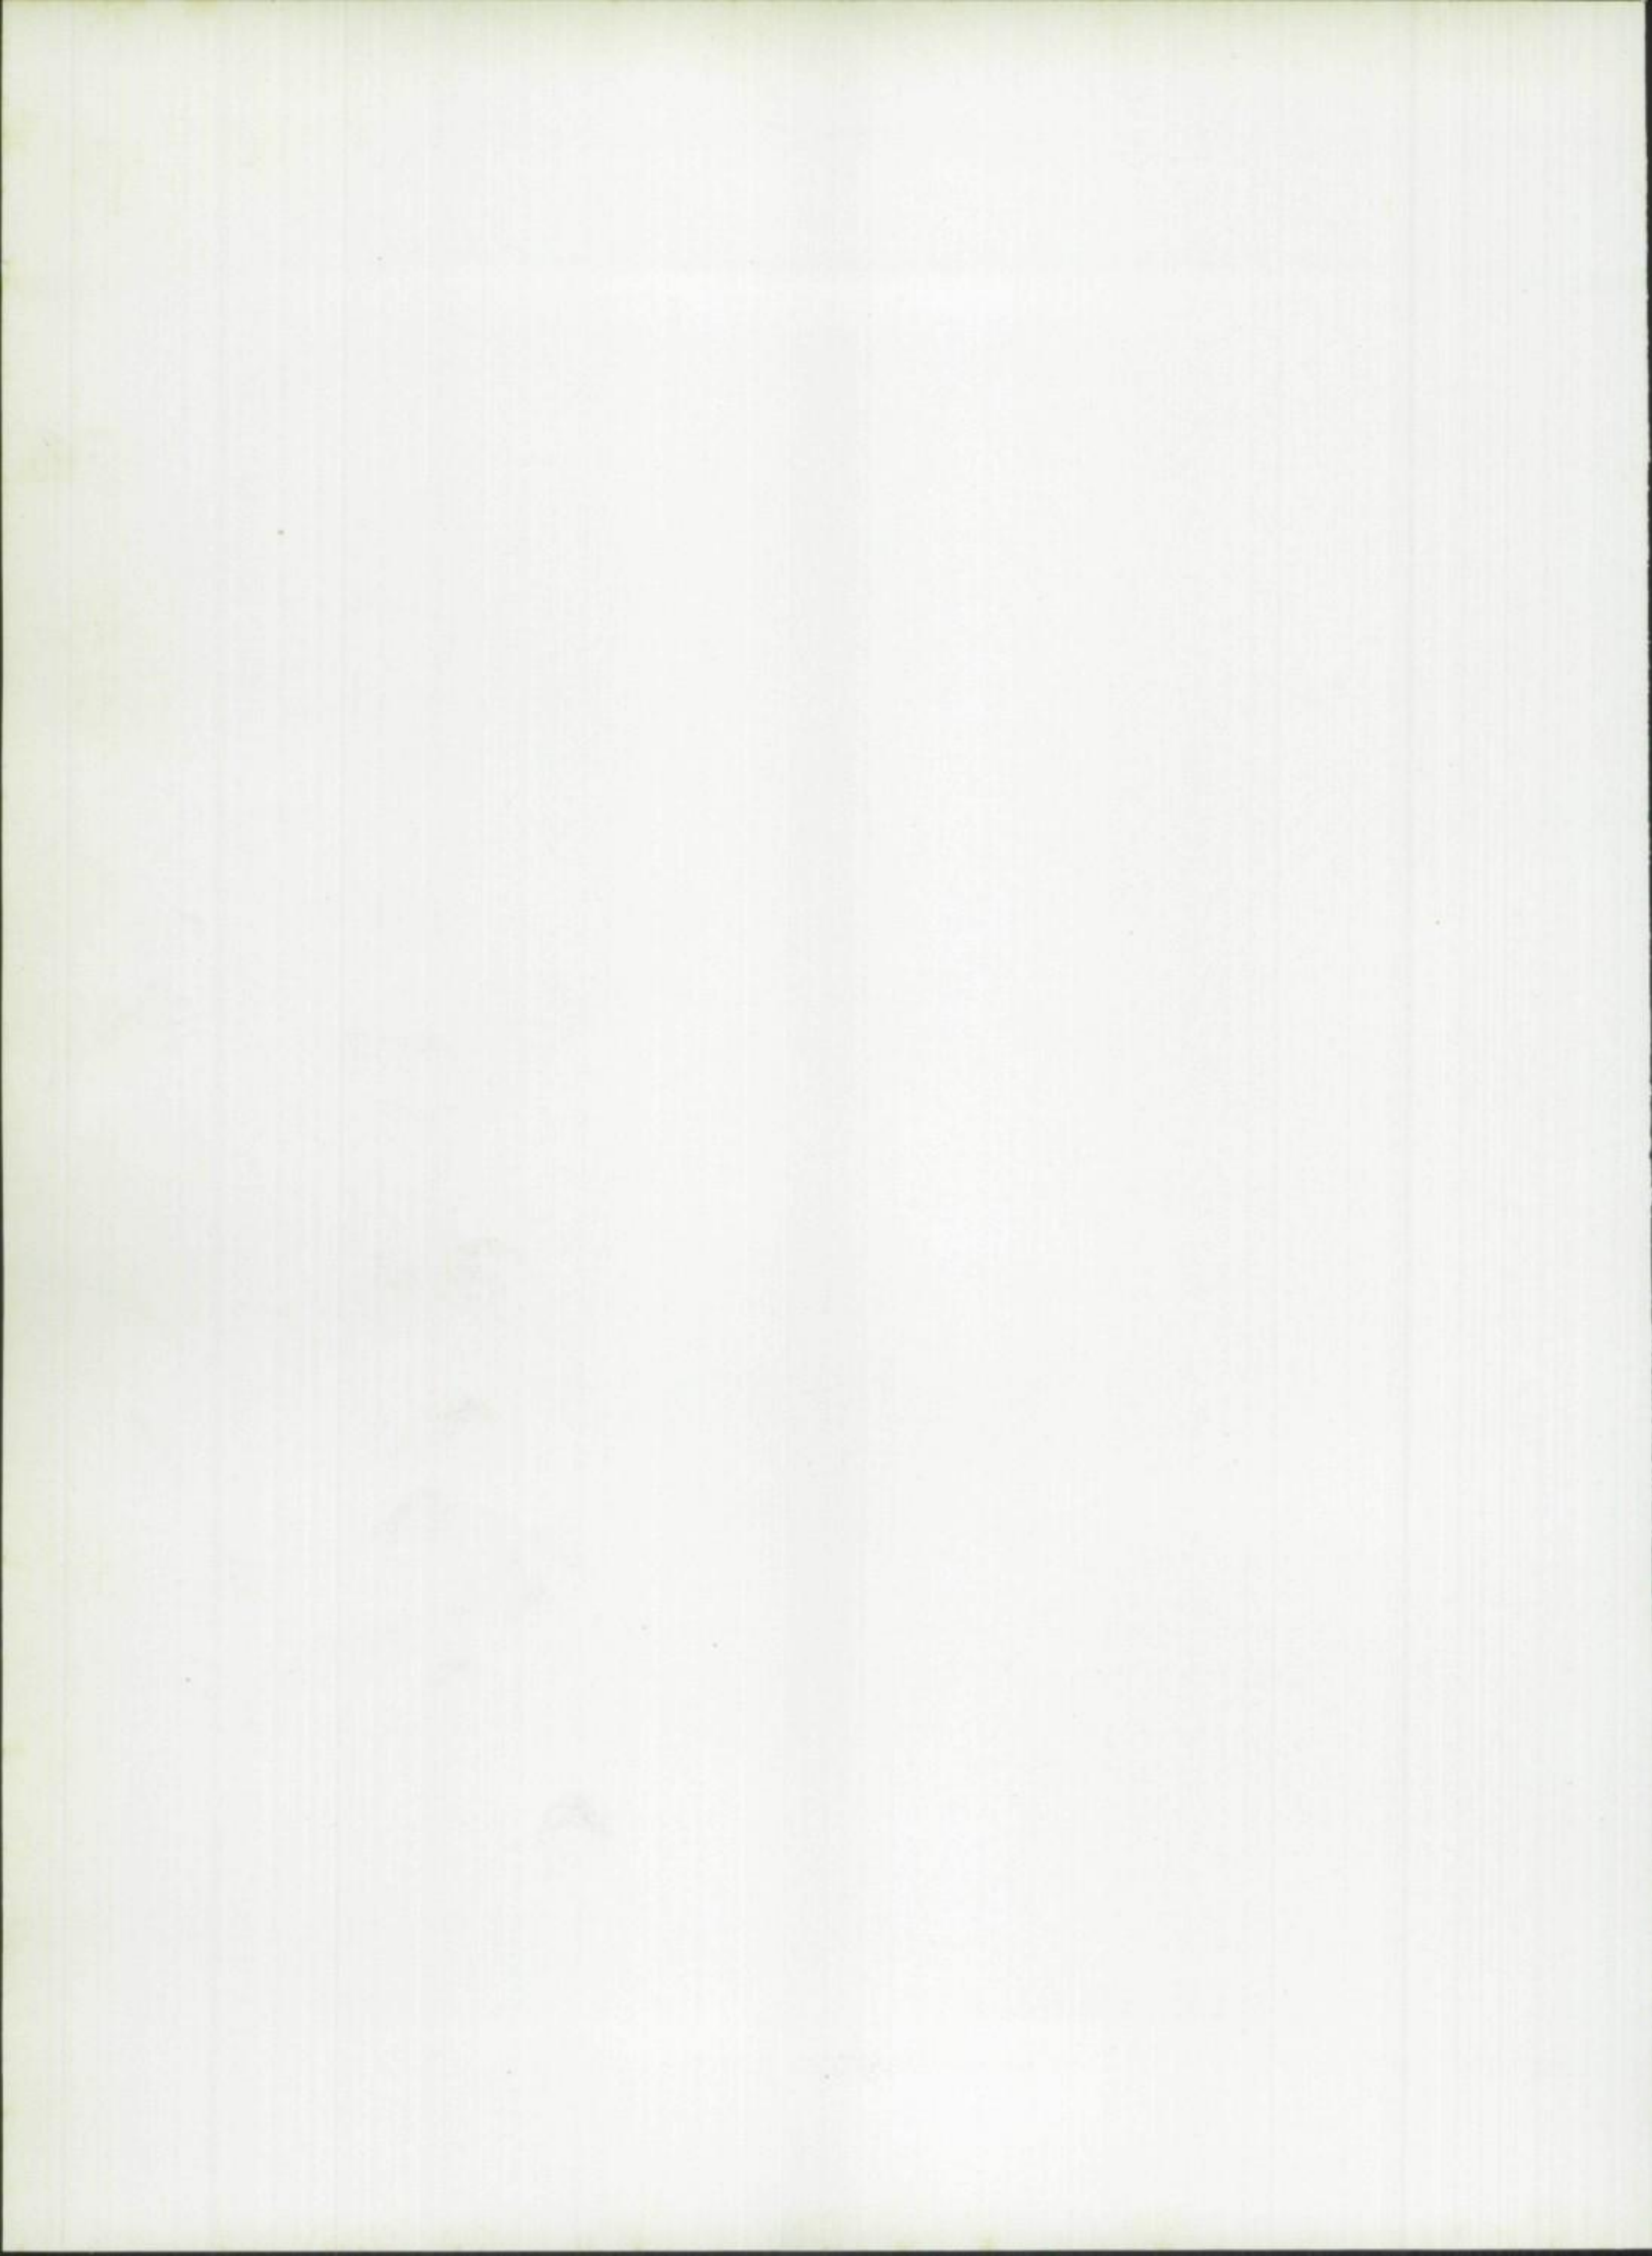

Who, me?

It is with great pleasure that we dedicate this yearbook to Mr. Lloyd Jaeger. Mr. Jaeger has been the yearbook advisor for the past five years. However, due to the ever-increasing demands on his lovable personality, dedication, and skills, he will be unable to advise, comfort and drop subtle hints on future yearbook staffs.

We wish him happiness and success in all future endeavors. "Dr." J.-You did more than enough.-Thank you.

THE MUSIC MAN

"All aboard!" yelled the conductor, and for three nights 1000 people were transported to the small town of River City, Iowa. There they were captivated by the dazzling performances of Kevin Kern as the music man, Darielle Suchicki as the librarian, and many other talented students.

We thank all of them for providing our high school with such fine entertainment.

ROTARY

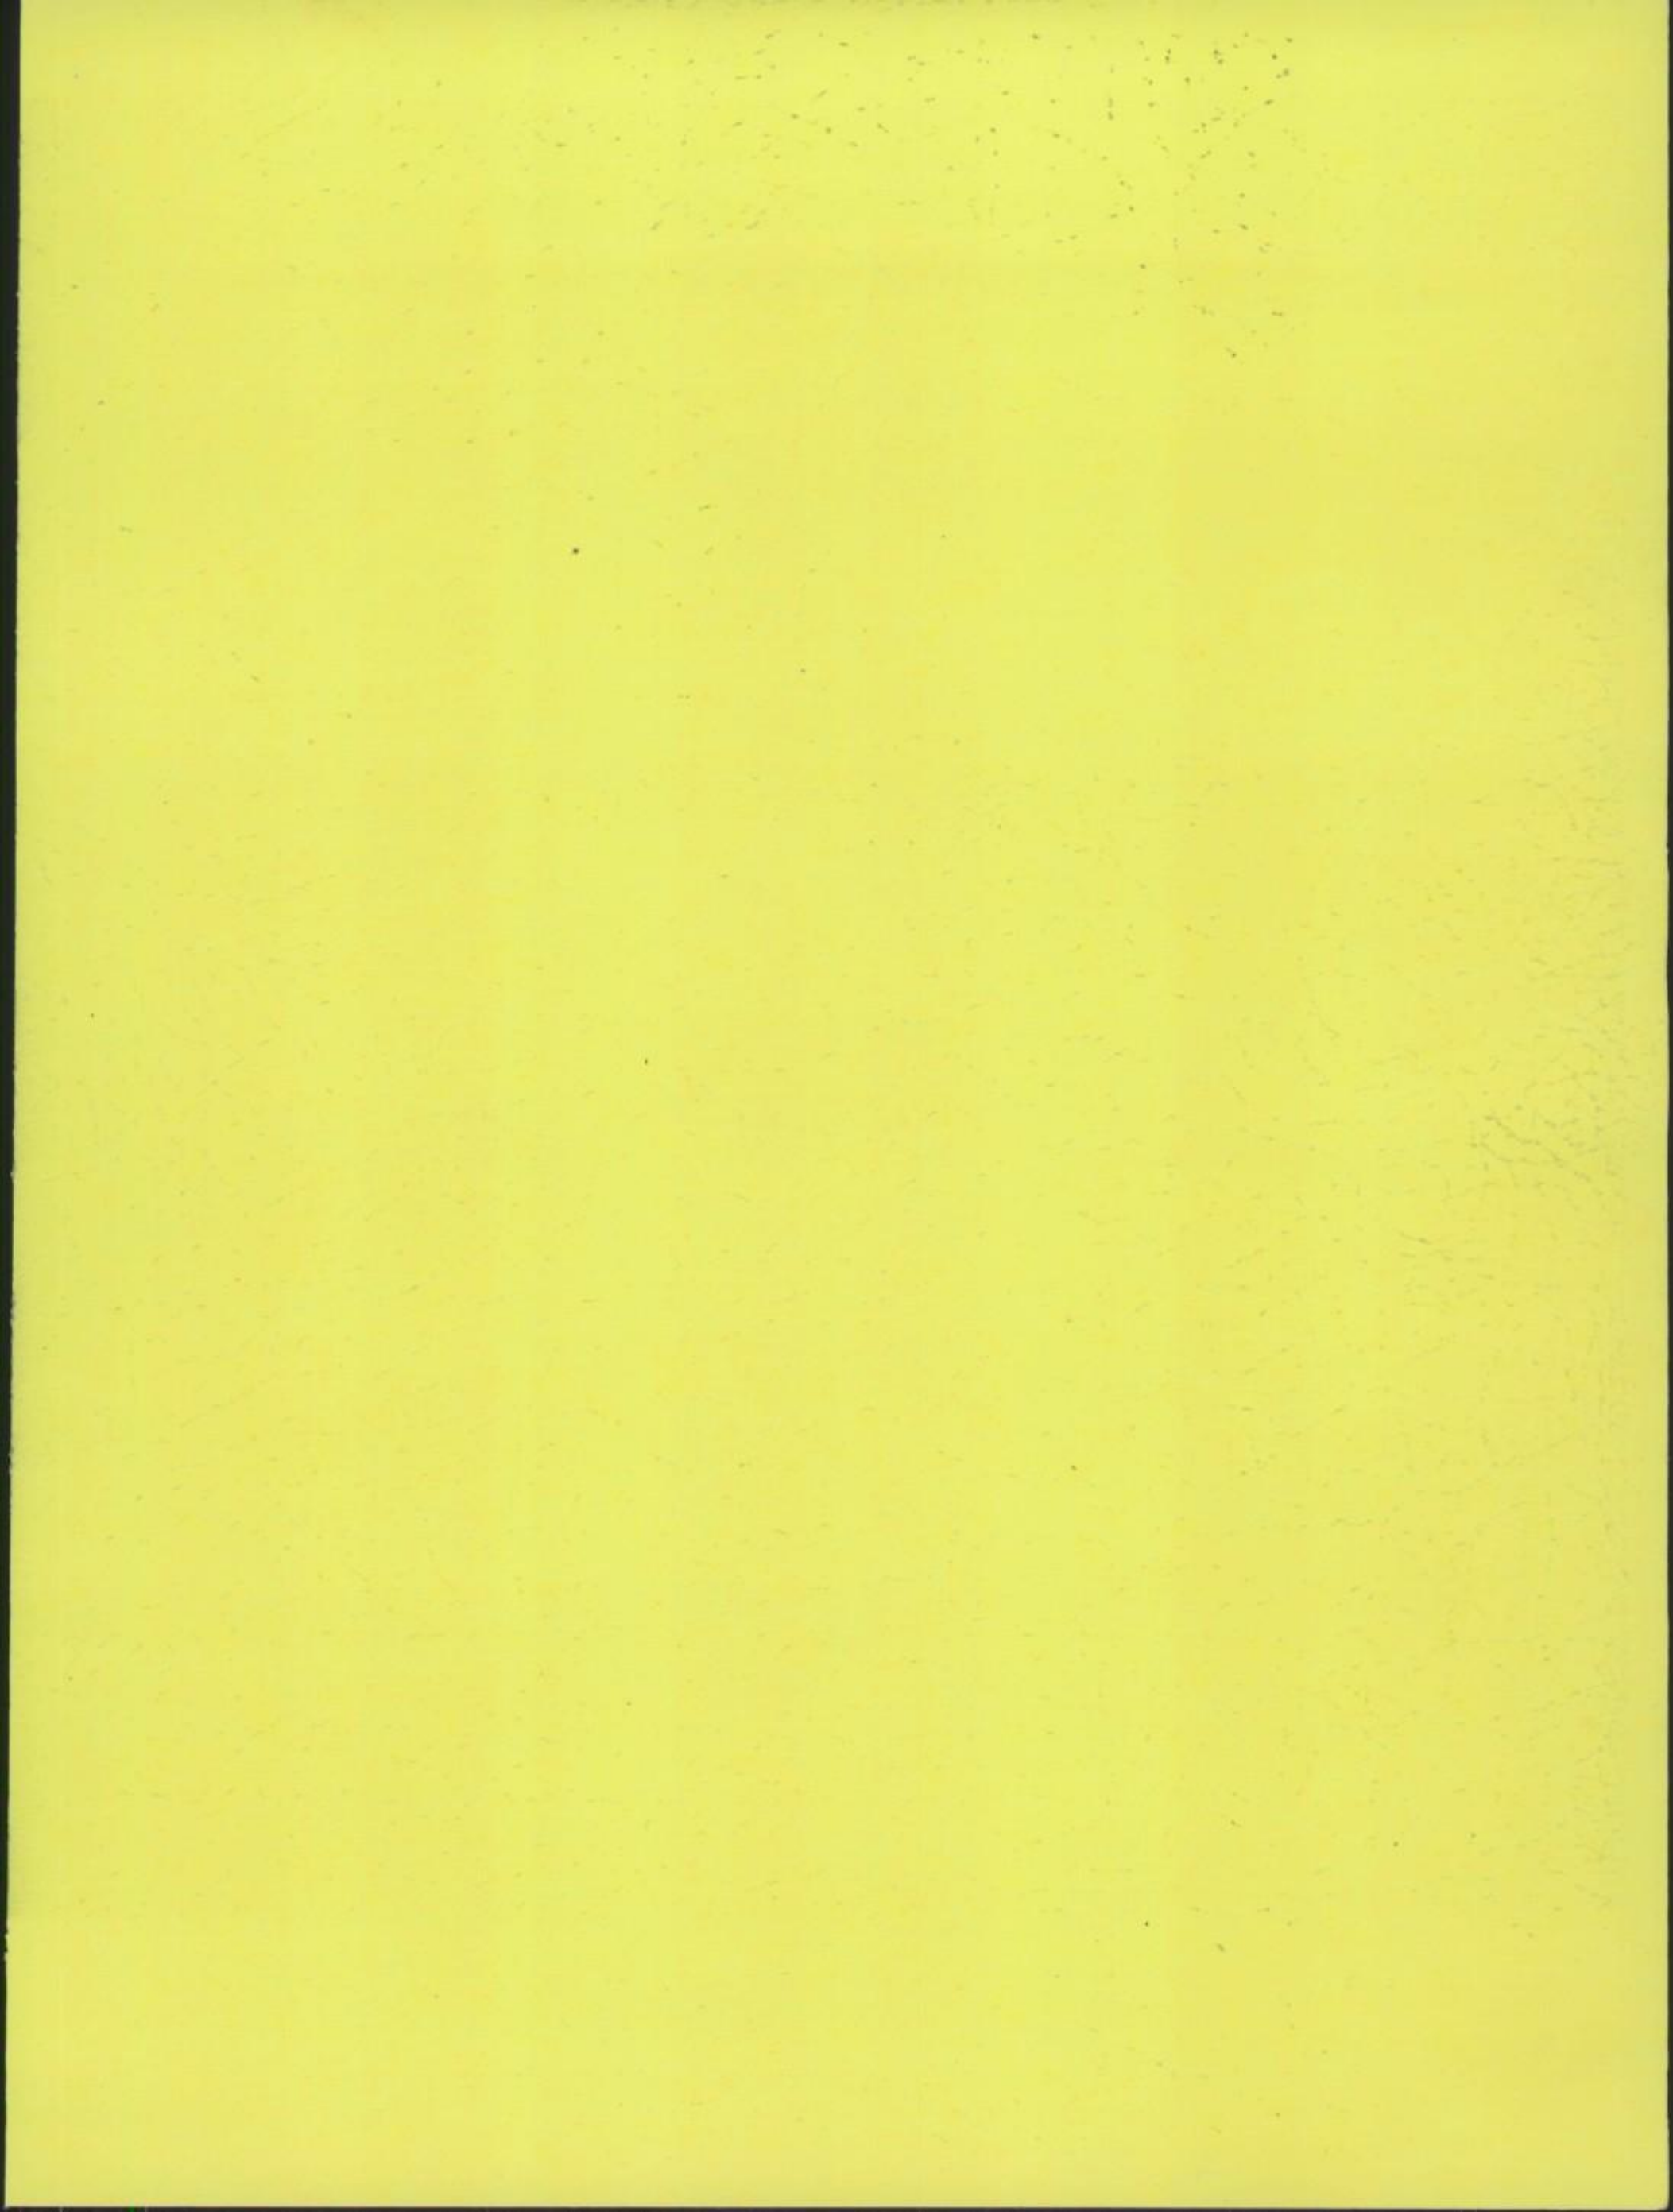

One of the Interact Club's main activities each year is its annual Christmas party. This party is given for the underprivileged children of our community. The members of our club all work very hard collecting toys as gifts for the children. This party and the happiness it brings would not be possible without our chapter of Rotary International. We are very proud of this organization for promoting brotherhood in our community, especially through our club.

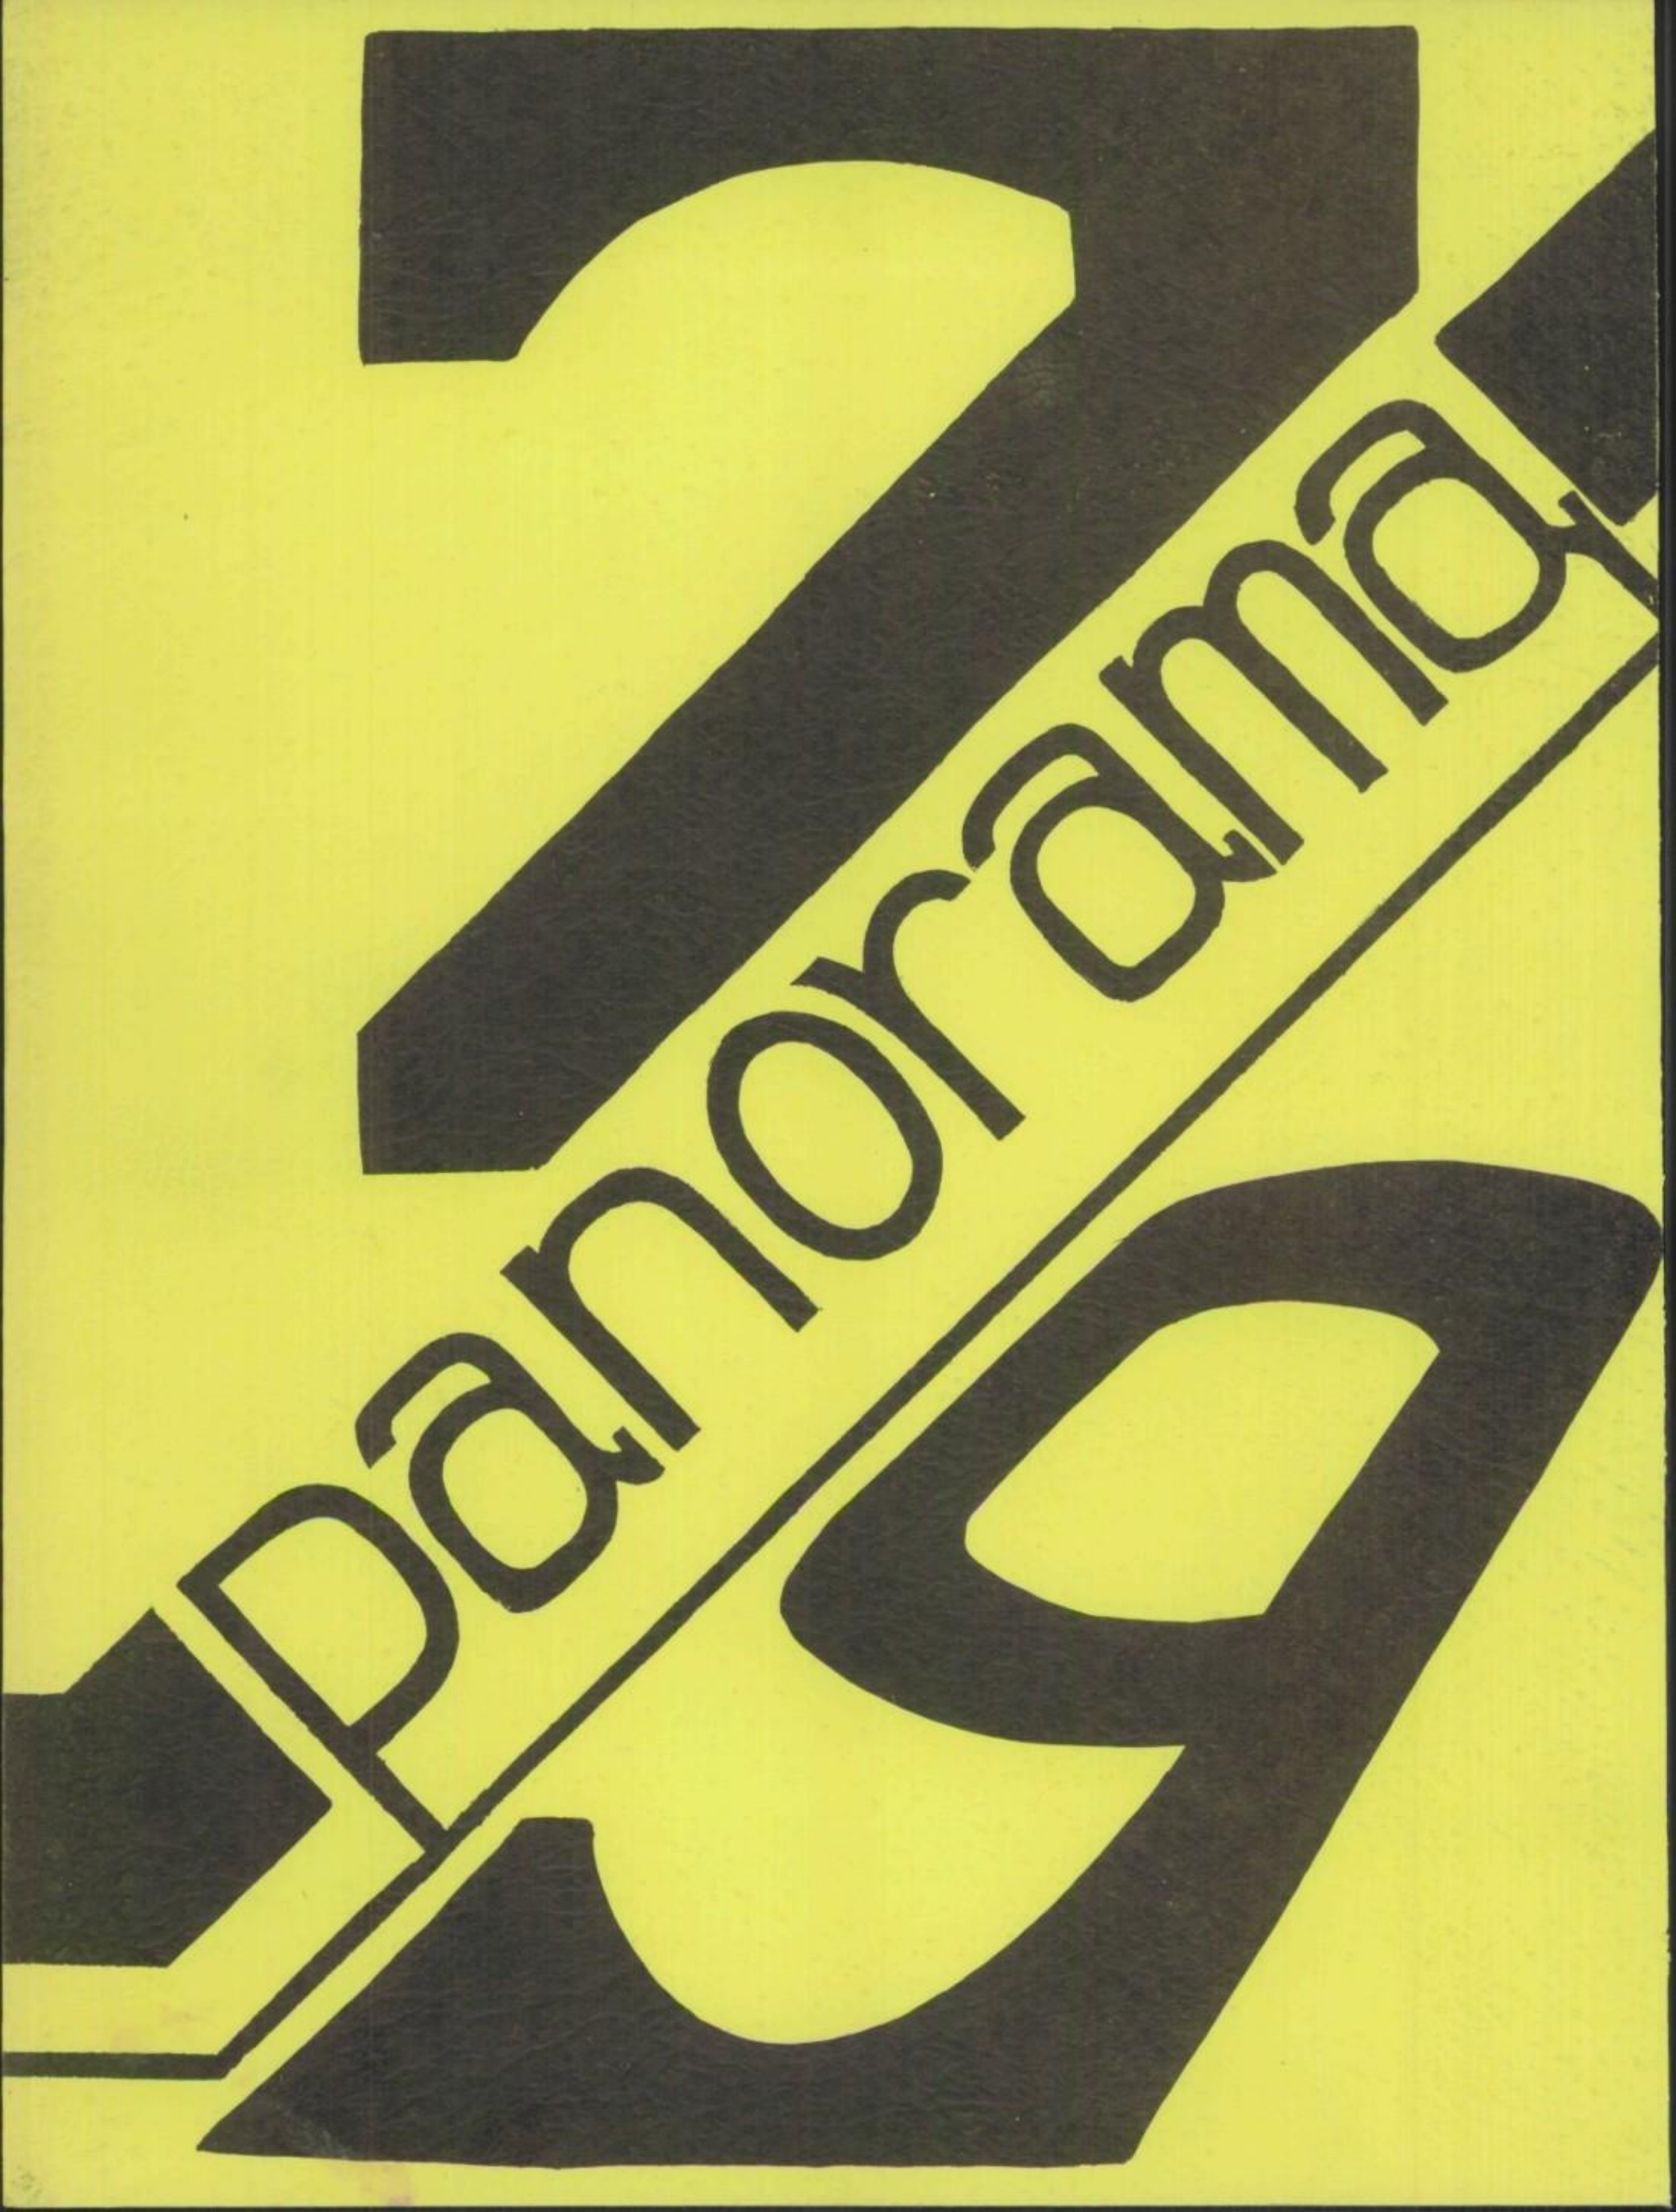

T.J. Smith

The 1979 Panorama staff offers its most sincere apologies to the Rotary Club for previously misrepresenting the ideals of Rotary and Interact.

*This first edition of the PANORAMA SUPPLEMENT is dedicated in loving memory to
